

The Maynard School, Exeter

September 2023

6.37 Outdoor Education, Visits and Off-Site Activities Policy

Independent Day School for Girls

2024-2025

1. Introduction

This policy covers all off-site visits and activities organised through the school and for which the Governing Body and Head are responsible. The Governing Body endorses the Devon County Council /Torbay Council policy document [“Outdoor Education, Visits and Off-Site Activities Health and Safety Policy 2024” \(OEVOSA\)](#) as the basis for the school’s policy for the management of visits and off-site activities. The purpose of this policy is to explain *how* the overall OEVOSA policy will be applied in practical terms at a local level, and in particular, the specific roles, responsibilities and arrangements that will apply at the Maynard School. This policy also complements and should be read in conjunction with the school’s Health & Safety and Safeguarding Policies.

The Maynard School believes that every young person should experience the world beyond the classroom as an essential part of learning and personal development, whatever their age, ability or circumstances. Throughout our extended curriculum, outdoor education offers our students the opportunity to:

- extend horizons by broadening our students’ awareness of the world beyond themselves;
- encourage an appreciation for the environment and the countryside;
- develop appropriate skills, relevant to future learning including: communication; numeracy; observational, organisational, physical, practical, social, problem solving, creative and study skills; working in a team and developing leadership qualities; empathising and motivating others and facing the consequences of decisions made;
- develop the hard skills associated with a challenging adventure which may demand careful planning, imagination, skilful navigation, endurance and teamwork, or in other context, building on the skills needed for the given activity.

It is the School’s aim that students will be introduced to a wide range of experiences that will enable them to learn enough to become the foundation for future activities from joining a university club to taking part in an overseas expedition or travelling independently during a gap year.

Outdoor education includes learning, living and moving in a wide variety of situations. Within a safe and structured framework, outdoor education can make a significant contribution to the educational development of all young people.

2. Responsibilities of the Head

The Head will:

- ensure all visits and off-site activities have specific and appropriate educational objectives;
- have overall responsibility for the approval of all visits and activities, based on compliance with the OEVOSA document and recognised good practice, even where this task may have been delegated to another named person
- ensure that all off-site visits, and especially residential visits, are carried out with reference to the Safeguarding Policy and Staff Code of Conduct

- ensure that there is a suitably experienced and competent Educational Visits Co-ordinator (EVC) to oversee adherence to the OEVOSA policy and that the tasks associated with this role are clearly outlined in this policy
- ensure off-site programmes are led by competent staff who are appropriately experienced to assess the risks, manage the activity and manage the specific group
- provide relevant induction, training and other Continuous Professional Development opportunities for staff involved in the provision of visits and off-site activities
- ensure that for all off-site visits and activities risks have been assessed, the significant findings of these assessments recorded and any appropriate safety measures implemented accordingly.

3. Responsibilities of the Educational Visits Co-ordinator

Although holding the ultimate responsibility, the Head has delegated specified tasks to a suitably experienced and competent EVC. The EVC is responsible for carrying out the following agreed tasks and attending the relevant training and update training provided by the Local Authority (LA).

Name of EVC: Phil Rudling

The functions delegated to the EVC are:

- to be the principal contact with the LA over planned visits
- to establish monitoring systems to ensure that educational visits are undertaken in accordance with OEVOSA and the college specific arrangements named in this policy
- to ensure that the management of visits and off-site activities is informed by an appropriate risk assessment
- to work with the Principal, Designated Safeguarding Lead (DSL) and other Senior Leaders to establish Standard Operating Procedures to guide the risk assessment process for visits and non-adventurous activities
- to manage and update the Evolve website, including updating staff lists and training records
- to ensure that approval and endorsement arrangements for all visits are in accordance with OEVOSA requirements
- to provide staff with support, advice and information that they need to comply with OEVOSA requirements
- to ensure that leaders and staff have any relevant qualifications and are competent to lead and support particular visits and activities as outlined in OEVOSA
- to ensure that procedures to inform parents and to obtain their consent where necessary are in place
- to work with each Visit Leader to ensure that appropriate emergency arrangements are in place for visits and off-site activities
- to review accident and incident reports relating to visits and off-site activities to ensure that any lessons are learnt
- to ensure that any third-party provider / contractor / coach has been vetted for competence in accordance with the requirements of OEVOSA.

4. Responsibilities of the Visit Leader

The Visit Leader will:

- have overall responsibility for the supervision and conduct of the visit or activity
- obtain approval and, where appropriate, LA endorsement for the visit in line with OEVOSA and the specific arrangements of this policy prior to undertaking the activity
- assess the risks to staff, young people and members of the public presented by the visit or activity in order to identify and implement any safety measures
- carry out specific activities in accordance with the detail of OEVOSA
- use the school planning checklist provided in OEVOSA to ensure all procedures have been followed
- vet any third-party provider / contractor / coach for competence in accordance with the requirements of OEVOSA
- brief all supervising staff, volunteers and pupils in roles, responsibilities and expectations
- inform parents about the visit and gain their consent in accordance with arrangements described in OEVOSA
- establish appropriate emergency and contingency arrangements for the planned visit or activity which will include the identification of sufficient First Aid cover
- continually re-assess risks dynamically during the activity and make adjustments accordingly

5. Responsibilities of additional members of staff taking part in visits and off-site activities

Members of staff, volunteers and parent helpers should:

- Assist the Visit Leader to ensure the health, safety and welfare of others including young people on the visit
- Take time to understand their roles and responsibilities whilst taking part in a visit or activity.

6. Responsibilities of pupils

Whilst taking part in off-site activities pupils also have responsibilities about which they should be made aware by the Visit Leader or other members of staff, for their own health and safety and that of the group. Young people should:

- Avoid unnecessary risks;
- Follow instructions of the party leader and other members of staff;
- Behave sensibly, keeping to any agreed code of conduct;
- Inform a member of staff of safety concerns.

7. Responsibilities of parents

Parents have an important role in deciding whether any visit or off-site activity is suitable for their child. Subject to their agreement to the activity parents should:

- support the application of any agreed code of conduct;

- inform the party leader about any medical, psychological or physical condition relevant to the visit;
- provide an emergency contact number;
- Provide consent in accordance with the requirements of OEVOSA.

Please note, it is not possible for parents to accompany a visit or off-site activity unless they have an enhanced DBS and are an authorised adult on that visit.

8. Risk Assessment

The Maynard School is committed to providing a wide variety of outdoor activities and visits design to challenge and develop young people. These inevitably feature a degree of risk that demands management. Arrangements will be achieved by a risk assessment led by the Visit Leader for each activity/visit or series of visits undertaken. This process is guided by establishment specific Standard Operating Procedures (SOP) documents which have been created to establish minimum standards and expectations for Visit Leaders. There are currently 5 SOP documents for various categories of visit (see appendix)

These are the control measures that will apply to all such visits and off-site activities and have been drawn up by the Head, EVC and other Senior Leaders and will be brought to the attention of anyone undertaking the role of Visit Leader.

In assessing the risks presented by a planned visit or activity, the Visit Leader must judge if the controls described in the SOP are adequate for controlling the risks. For each visit/activity, add any additional control measures needed in the enhanced risk assessment column of the SOP document.

Any activities delivered by school staff falling within the definition of Category B (adventurous), will have a separate stand-alone risk assessment; Adventurous Activities Led by School Staff Risk Assessment.

This process will be undertaken by the Visit Leader who, whilst being supported by the EVC, will be competent and equipped to complete this task. To meet statutory requirements and to ensure sufficient communication with other staff involved, this risk assessment will be recorded using the risk assessment format on Evolve.

9. Approval of off-site activities

The Head/EVC will be responsible for approving all off-site activities subject to assurances that arrangements are in line with this policy and risks are adequately controlled. This includes approving the Visit Leader for each visit or off-site activity.

There are 3 categories of visit:

Category A:

Non-adventurous visits i.e. visits to local places of worship, farms, public places etc

Non-adventurous residential visits i.e. cultural visits to towns/cities etc

Category B:

Adventurous visits where activities are *delivered* by school staff (i.e. Ten Tors, kayaking etc)

Adventurous day visits led by external providers (i.e. visits to climbing centres, a pony trekking centre etc)

Adventurous residential visits to outdoor centres

Category C:

Visits of all types outside the UK

In-line with the requirements of OEVOSA, details of Category B and C visits will be uploaded to the Evolve on-line system to facilitate the approval by the Headteacher and EVC ahead of final endorsement by the Local Authority Adviser for Outdoor Education.

The policy of [The Maynard School is that Category A visits will be uploaded to the Evolve system to allow the EVC and college leaders to monitor the management of off-site visits.

Regular PE fixtures and offsite lessons do not need to be uploaded on Evolve but will risk assessed and monitored under the PE Department's policy.

10. Safeguarding

The safety and welfare of children is paramount. In the event of a safeguarding issue or concern being identified during the trip or visit, the visit leader should follow the school's child protection/safeguarding policy and procedures. All staff and volunteers on the trip should be made aware of these before the trip or activity takes place. Arrangements should be in place to enable contact with the school's Designated Safeguarding Officer outside normal school hours if necessary. Contact details should be communicated to all staff/volunteers on the trip (as well as the visit leader) in case the safeguarding concern is about the visit leader.

11. The provision of training and information

A copy of this policy, along with the overall OEVOSA document, will be made available to all staff within the school who may be responsible for participating in off-site visits and activities and to any parent requesting a copy. Access will also be made available to the overarching OEVOSA policy, and additional guidance via the Evolve system.

The Head will ensure that staff leading or participating in visits are competent for the activities involved. When required, specific training will be undertaken and competencies maintained in accordance with the requirements of OEVOSA. This process will be overseen by the EVC and records of qualifications will be uploaded to the Evolve system.

12. Action in the case of emergency

The EVC ensure that emergency arrangements are in place before approving visits. The Visit Leader will identify these arrangements via a process of risk assessment as described in paragraph 8 above. Where necessary, this assessment must include the identification of contingency plans. It will also include the identification of sufficient First Aiders, as well as emergency contact details which must include a school contact for outside normal hours if necessary. Any accidents and incidents that occur during off-site visits and activities will be reported and recorded in accordance with the school health and safety policy. Accidents and incidents will subsequently be reviewed within the school to identify any learning points. See the school Critical Incident policy for further details.

13. Monitoring and review

The governing body will monitor the application of this policy in operational practice. As will all School activity, the Governors retain ultimate responsibility in law for ensuring the safety, probity and appropriateness of all visits and off-site activities. This responsibility is discharged through the maintenance of this and other, related School policies and through receiving periodic reports from the Head and EVC. Additionally, one member of the Governors is allocated particular responsibility for the oversight of visits and off-site activities and for regular liaison with the EVC in this regard.

The Governors will review this policy:

- Every two years
- After any significant changes to the management of outdoor education locally
- After any significant changes to the OEVOSA document
- In light of health and safety incidents

Submission of Visit Form Timescales

Visit forms must be submitted by the Visit Leader to the EVC in accordance with the following timescales. Failure to meet these timescales may result in the planned visit being postponed or cancelled. Timescales are term time; factor in more time if there is a school holiday.

Category A Day Visits – 2 weeks

Category A Residential – 2 weeks

Category B Adventurous Day [visits including Ten Tors and Duke of Edinburgh expeditions run by school staff] – 3 weeks

Category B Adventurous Residential visits – 10 Weeks

Category C Overseas visits – 14 Weeks

Additional Documents that accompany this policy ([found here](#)):

- 1 Maynard Guide to running a trip or activity
- 2 Maynard SOP (Standard Operating Procedures)
- 3 Devon OEVOSA Guidance
- 4 Maynard DofE Ten Tors Guidance
- 5 OEVOSA Policy Sept 18 (Devon County Council)
- 6 EVOLVE user manual
- 7 OV1 (Calendar Approval),
- 8 OV2 (EVC Approval),
- 9 OV3 (Feedback),
- 10 SOE5 (Provider Questionnaire)

Further information required for planning a trip can be found here:

<https://themaynardschool.sharepoint.com/:f:/r/sites/TeachingResources365-DOS/DOS/EVC%20Trips%20and%20Events?csf=1&web=1>

This area includes more detailed guidance on running and planning a trip, using the EVOLVE system, the Devon County Council “Outdoor Education, Visits and Off-Site Activities Health and Safety Policy” and templates for Standard Operating Procedures. There is also further information for school-run adventurous activities (e.g. Duke of Edinburgh award and Ten Tors expeditions).

When planning a trip, the trip must first be approved for the school calendar (shared staff calendar) using the OV1 online form:

<https://www.cognitoforms.com/TheMaynardSchool1/ov1newortemplate2>

All trips and visits leaving the site (other than PE fixtures) must be approved on EVOLVE. There are further resources also on Evolve. Ask the EVC if you are unable to access EVOLVE.
